"Our jewelry store, Beauchamp Jewelers, was founded by my parents in 1951. As a third generation jeweler, I spent my entire career working in the store. We had deep roots in the industry. We were members of the American Gem Society, Jewelers of America and the American Gem Trade Association for decades. We were also committed to helping our local community by providing donations to many different charitable organizations for many, many years.

It was extremely difficult to make the decision to close the store after 65 years of vibrant business in Albuquerque. But tough as it was, the decision to hire Wilkerson was easy.

So many friends, and so many referrals in the industry all pointed to the fact that Wilkerson was the absolute best!

The sale enabled me to eliminate debt, buy out my two siblings, and build a nest egg for retirement. My Wilkerson sales consultants were absolute rock stars! They were genuinely nice, and had the experience and passion to make the sale a huge success. We exceeded my wildest expectations, doing nearly two years of business during our 14 week event! The Wilkerson team made the whole experience fun and profitable.

I would absolutely recommend Wilkerson to another jewelry store owner. They are the best of the best! They are THE professionals in our industry."
