Going Out of Business. Retiring. Moving.*

"This is the second time I've done this with Wilkerson and I've been very, very pleased each time. As far as I'm concerned, they're the only ones to go to."

CRANSTOUN COURT JEWELLERS

"I'm Geoffry Woerner, owner of Cranstoun Court Jewellers in Sun City West, Arizona. I founded Cranstoun Court Jewellers in 2003 and I've been here ever since. I'm associated with the Gemological Institute of America, as a certified graduate gemologist with the GIA and the American Gem Society.

My family and I decided to do a going out of business sale. We started thinking about it over a year ago. Making the decision to choose Wilkerson was very easy for me. I had been through a sale about thirteen years ago with a previous owner. So, when it came time to make this decision it was a no brainer to choose Wilkerson.

Working with Wilkerson has been extremely easy, especially in terms of all of the marketing and advertising we've done. Working with our consultant has been fantastic. From day one, we melded together and everything he's done to help us has been extremely beneficial.

As far as our financial expectations, they've far exceeded what we thought would take place. As for the aging inventory left, it's basically gone.

If you're thinking of doing a sale like this, I recommend Wilkerson highly. This is the second time I've done this with Wilkerson and I've been very, very pleased each time. As far as I'm concerned, they're the only ones to go to."
