"I'm Denny Bales, the owner of Denny Bales Diamonds in Corpus Christi, Texas. I've been in the business for 35 years, 5 years at this store and 30 at my previous store.

I was told by several folks the Wilkerson company is one of the best. I began chatting with Rick Hayes, who is one of the sweetest guys. I talked to him so many times on the phone I felt like he was my very best friend.

Since then we've closed the first store through Wilkerson. It was an unbelievable success story. Our goal was \$3.5 million and we exceeded it by \$2 million, which was just phenomenal! I can't think of one negative thing about that event. I would relive it 100 times.

We just finished the second event and I insisted that the same Wilkerson team come back because they did such an outstanding job on the first event. I just couldn't imagine having anyone else even though I know Wilkerson has many top-notch associates. But everything we did proved to be quite successful and again, like the first event, we exceeded our goal considerably.

Everybody will put a lot of thought into making the decision about retiring, going out of business, or what type of sale to have at the very end. Since I've done this two times, maybe I've put more thought into it than a lot of folks. I couldn't possibly recommend Wilkerson more. They're the best. From top to bottom, Bobby Wilkerson on down, they're fine people that you know you would love to hang out with. If you get to the JCK show, go and visit them. They're not the kind of people who are going to twist your arm. Their reputation speaks for itself."
