"They know more about sales than we could possibly know as individual owners.."

Dave Salkin
Salkin's Jewel Case
Freehold, NJ

Closing a family-owned jewelry store is a weighty matter. Brothers, Dave and Eric Salkin, found that when it was time to close their business, Salkin's Jewel Case, located in Freehold, New Jersey, Wilkerson was able to lift their burden.

"I recommend Wilkerson because this is their specialty," Dave said. "I understand that during our sale, there were 50 other sales going on around the country.

"They've been around for a lot of years and have ran hundreds, if not thousands, of sales. They know more about it than we could possibly know as individual owners."

His brother, Eric, adds, "Everything they told us when we sat down at the beginning was true."

"From day one through the last day, it was a much easier process with Wilkerson than it ever would have been without them."
