SKATELL'S
JEWELERS

"My name is Cindy Skatell-Dacus and I'm the owner of Skatell's Custom Jewelers in Greenville, South Carolina. The store has been in existence for fifty-five years and for over thirty years we were a member of IJO. What led to the decision for us to go out of business and have the going out of business sale was because after forty-four years we were just ready to give it up. I've done this all my life and we just felt like it was time to do this.

What led me to choose Wilkerson was I had seen them in the jewelry trade magazines for many years. One day, one of the Wilkerson sales reps came in and he told me about it. We were talking about doing something else and that is what led me to call Wilkerson to do this sale.

Wilkerson really fulfilled the experience for Tom and I, because Ken took care of all the advertising and Marcia made sure everything was merchandised properly and put into the computer. They made sure everything was done for us. We didn't have to worry about anything. I have nothing but good things to say. They are fantastic! We've had such a great time. They've made it so much fun and it didn't even seem like we were having a sale.

I would highly recommend Wilkerson to any jeweler who is wanting to have either a liquidation sale or going out of business sale. This has been such a great experience. The reason it was such a great experience was because of the consultants, to be honest with you. We felt Wilkerson and our consultants were a part of our family. They were helping us every step of the way. Wilkerson. Wilkerson. Wilkerson. They're the best. Remember that, because they care."
