"World Class Diamonds...
South Texas Charm"

"My name is Joey Westlake, and I'm the owner of Victoria's Fine Jewelry in Rockport, Texas. I moved here about thirty-three years ago and that's when I opened the store. I'm a member of IJO, RJO, and AGTA.

My husband, Bret, and I have been talking about retiring for several years, and finally decided that now is a good time, so we decided to have the retirement sale. I've been dealing with Wilkerson for about twenty-five years. I got to know almost all the staff. They were wonderful people. There was no question when we decided to do a GOB, Wilkerson was the only company I would go with.

This sale exceeded my financial goals. It was above and beyond anything we could have expected. Wilkerson is really unique in that they match the consultants with the owners. Your specific set of needs will be met and they will address that. They match your personality. We enjoyed having our consultants every single day. It was great!"
