

“They’re going to make a lot of money for you, so there’s no reason not to do it!”

– Michael Nedler, Sonny's Diamonds & Fine Jewelry

Sonny's Diamonds & Fine Jewelry

When Michael Nedler, president of Sonny's Diamonds & Fine Jewelry in Denver, closed one of his stores a few years ago he chose Wilkerson to handle the sale. Then, after 40 years in the business, he made a second call to Wilkerson, this time to help him retire comfortably. As he relates, his previous experience with the company had made the decision easy. “Wilkerson suggested ways of advertising I would never have

thought of,” he recalls. “And they worked as hard if not harder than any of us here.” The most recent sale reduced his store's inventory to nearly zero, making Nedler a permanent fan.

“I'd recommend Wilkerson to anyone. They are going to make the process easy for you; they're going to make a lot of money for you; so there's no reason not to do it. You're going to retire from the business exactly the way we're supposed to!”
